I'd like to basically go over the schematics and field verify. So a thorough walk of the entire project site is what I had in mind....probably 2-3 hrs. Either one of the Robinsons would be good to have along. I'll come over the hill the evening before so we could meet in the morning over coffee prior to going out to the site.....discuss permit parameters, etc. Please clear all this w/ the PTP folks (and attorney) and see if they'd also like to attend....may be too boring for them. We should be done by early to mid afternoon (at the latest).

Aaron,

Whenever you can be here works for me. Would you like me to have Tom and/or Jim be there also? Is PTP going to be represented. Let me know if there is anything I can do to line up the people that you would like to meet with. I will block off all day on June 4. I look forward to meeting you!

See you then.

Brenda:

Does Wednesday June 4th work for you and PTP w/ regard to a mtg and site-tour for purposes of permit development? Let me know, thanks,  
Aaron
